

WESTHILLS VILLAGE FOUNDATION

WE STAND UNITED

2021 ANNUAL REPORT

Rapid City, South Dakota

A MESSAGE FROM OUR CEO

Our theme this year is We Stand United.

It represents so many examples from this past year and continues to represent us today as well. It is quite remarkable how the Westhills Village Foundation has stepped up in typical ways but also unique ways this year, **THANKS TO SO MANY OF YOU.**

I am sure there would be some agreement that it certainly seems we are in a time where there are more efforts to criticize and not agree as we watch our nation and even local community. But what is so impressive about Westhills Village and the Foundation is that We Stand United can be found everywhere we look every day. Those who work here have pulled together in new ways to support one another, with a focus on service. Also, those who live here continue to amaze us with their support, volunteerism and kind words. We have received the same from family members, visitors and the community in general.

With this, the Westhills Village Foundation supported us and participated in new and amazing ways this past year; just look at all the projects that were sponsored and will be supported!!!!

Thank you all so much for your generosity, ideas and involvement with the Foundation. Hopefully we can count on it moving forward so it can continue to have the impact it is so well known for providing.

We continue to represent "working together accomplishes more than any one person" and practice "an attitude of gratitude" - being grateful for so many blessings we have. We have so many more things to be thankful for on a daily basis and the Westhills Village Foundation is certainly one of those.

As we look towards future opportunities in which the Foundation can help, you will see areas that will assist with our co-worker's time which helps us prioritize our daily efforts. Some of the new technologies and automation will be a win for those who reside throughout the Westhills Village Campus and those who are employed here. It truly touches every area of our community.

THANK YOU SO MUCH FOR YOUR AMAZING GENEROSITY!

Daryl Reinicke

Daryl Reinicke, CEO

THE REINICKE ROOM DEDICATION

"A HERO IS AN ORDINARY INDIVIDUAL WHO FINDS THE STRENGTH TO PERSEVERE AND ENDURE IN SPITE OF OVERWHELMING OBSTACLES."

Employee Academic Assistance

The Academic Assistance Fund was created by the Foundation to assist employees of our facilities to obtain advanced education in areas of critical need within our operations.

Lori Pendleton

I started working here in 2008 as a Home Health aide. Over the years, I have worked in various areas. For instance, I worked for a while as an activity aide at Westhills South, and then as a part-time receptionist at the front desk. I eventually had a full-time position working in Home Health with billing. I found that I really enjoyed creating spreadsheets, filing, and working with medical records, so I decided to go back to school. While attending school, I continued to work here, and applied for help through the Foundation. Words can't even begin to explain how grateful I was to receive it! I graduated from Western Dakota Tech in 2015 with an Associates Degree in Health Information Management with an emphasis on Medical Coding.

Shortly before graduation, I decided to spread my wings and try medical coding, so I left here and went to work for Dr. Ballard, who is an OB-GYN. I then got experience working at Monument Health in Medical Records, Home Health and Hospice, at their Medical Equipment store, and finally, for Monument Health Main Admissions. I gained a lot of experience but have always missed the residents and staff who live and work here. I was ecstatic when I received an offer to come back to work here as the Front Desk Coordinator, and have been here since June.

Going back to school and getting a degree has helped me immensely because, as you all know, life is unpredictable. My husband passed away unexpectedly about 3 years ago. Without the help of the Foundation and my degree, I don't know where I would be today. Thank you so much for your support, and changing my life!

Employee Helping Hands Fund

The **Helping Hands Fund** was established by the Foundation to help provide **financial assistance to current employees** who have fallen on hard times or experienced an unforeseen personal emergency. Most commonly, employees utilize the Helping Hands Fund to provide financial assistance due to unanticipated expenses that are outside their typical budget. **Donating to the Foundation** enables us to support our employees as they work to support our residents. We are here to serve and support one another! This is an exciting way your donations can **really help make a difference.**

It's a Family Affair

The Howard family has the 2nd generation now living at Westhills Village! Jo Howard, beloved mother and matriarch of the family, lived to enjoy 106 years! Jim and Jo moved to Westhills in 2000. In her honor there are now 3, of her 4, sons living at Westhills Village! John and Connie Howard have lived in their Villa since 2015, Bill Howard moved into a Cottage in 2020, and Michael and Eunice Howard just moved into their new apartment! We celebrate the Howard Family and are so thrilled to have them as part of the Westhills family.

Art Raffle from Joann

For the last 3 years Joann Gaffaney has offered some of her personal needlepoint art to raffle off and support the Westhills Village Foundation.

Last year was a record year collecting \$1,200.00!

Joann is going to raffle off this beautiful Rose picture. She will be selling tickets in November - so watch for more information!

THANK YOU JOANN and to all of you for your support!

Did you happen to notice the new FOUNDATION DESIGN?

Thank you for voting us BEST OF THE BLACK HILLS
